I was disappointed to learn that the Port of Galveston no longer grants disabled veterans complimentary parking. I know this year has been difficult financially for the Port of Galveston. That said, I always felt appreciated as a Disabled Veteran receiving this benefit knowing that it represented appreciation for the sacrifices made by military members for our great nation.

While I am glad to receive a discounted rate, I could not receive it in July because I didn't know of your change. Your website still includes the 2017 memo that granted disabled veterans complimentary parking.

I feel certain many disabled veterans are disappointed by your recent decision. I also could not find the decision in your board meeting minutes and would like to see a copy of the minutes where this was discussed.

If it is possible for the board to revisit this decision. I would be most grateful.

Respectfully,

Everett Schrum
